DETAILED ACTION

Claim Objections

Claim 9 is objected to because of the following informalities:

It is suggested that in:

Claim 9, line 3, before "...longitudinally..." insert --of--.

Claim 9, line 5, before "...forward and reverse directions..." delete "the".

Appropriate correction is required.

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1-12 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The term "essentially" in claim 1 is a relative term which renders the claim indefinite. The term "essentially" is not defined by the claim, the specification does not provide a standard for ascertaining the requisite degree, and one of ordinary skill in the art would not be reasonably apprised of the scope of the invention. The alignment of the tractor under the trailer tongue has been rendered indefinite by the use of the term.

Art Unit: 3712

The term "generally" in claims 2 and 12 is a relative term which renders the claim indefinite. The term "generally" is not defined by the claim, the specification does not provide a standard for ascertaining the requisite degree, and one of ordinary skill in the art would not be reasonably apprised of the scope of the invention. The "spherical base member" and the "spherical socket" have been rendered indefinite by the use of the term.

Claim(s) 3-11 depend from rejected claim(s) 1 and include all of the limitations of claim(s) 1 thereby rendering these dependent claim(s) indefinite.

Allowable Subject Matter

Claim 1 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action.

Claims 2-12 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Conclusion
